Bane Machinery, Inc. and George P. Bane, Inc. Named Link-Belt Earthmoving and Material Handling Dealer in North Texas

Lexington, KY - October 14, 2010 - LBX Company, makers of Link-Belt Excavators, Forestry, Demolition and Scrap/Material Handling Equipment, is pleased to announce the appointment of Bane Machinery, Inc. as the authorized dealer of Link-Belt Excavators and Material Handling Equipment for the Northern Texas market area. This appointment is effective immediately.

For more than 40 years Bane Machinery, Inc. has provided continuous service and is recognized by customers for product support and highly technical and track excavator experience for support and sales. They are a full service heavy equipment dealer offering rentals, parts, service and sales to a wide range of businesses - commercial and residential construction, excavating and grading, infrastructure and utilities, waste, recycling and scrap handling, demolition and the general contractor industry. Their long history in the equipment industry combined with the advantage of offering many lines of quality equipment through their multiple locations makes the sales staff at Bane Machinery, Inc. qualified to meet all ranges of equipment needs.

“LBX is fortunate to align with a high profile equipment dealer that is truly interested in their customers and support the equipment they represent. Bane Machinery provides integrity, business longevity and an absolute technical support expertise that most dealers envy,” said Jack McKay, Business Development Manager, LBX Company.
